Every cup of coffee are prepared with great care and expertise, from the bean to the cup and this is our signature hand-crafted coffees. Anyone who tried our coffees will be our loyal guests due to the warm friendly baristas and the difference of our coffees which comes from our true dedication in creating the ultimate coffee experience for every guest. The beans served at Gloria Jean's Coffees are carefully selected from the highest quality, hand-picked Arabica beans grown around the world and are roasted using state-of-the-art equipment in Sydney, Australia. The roasted beans are then packed within hours of roasting to ensure freshness. Gloria Jean's Coffees offers a wide range of espresso drinks menu, signature cold drinks and whole bean coffees plus specialty teas along with cakes, pastries, light meals, cookies and biscotti.

As testimony to Gloria Jean's Coffees dedication and passion about coffee, an expertly-trained barista handcrafted each drink to rich and perfection and will always be more than happy to serve every guest at the outlet. In our efforts and appreciation to provide value to its customers, Gloria Jean's Coffees is consistently offering attractive and innovative new drinks. This is another initiative taken by Gloria Jean's Coffees in creating the ultimate coffee experience. Hot Drinks Cold Drinks Whole Bean
